About the Centre

Iswar Saran Degree College, a distinguished constituent PG College of the University of Allahabad, was established in 1970 under the auspices of Harijan Sewak Sangh. The college owes its inception to the visionary Munshi Iswar Saran, a close confidant of Mahatma Gandhi. The profound connection between Munshi Ji and Mahatma Gandhi is exemplified by the latter's two visits to the campus, bestowing upon our institution a heritage of great significance. In homage to its founder, the society was later renamed as Iswar Saran Ashram. Recognizing its academic excellence, the University Grants Commission (UGC) has conferred the esteemed 'College with Potential for Excellence' (CPE) status upon Iswar Saran Degree College. The college is steadfast in its mission to impart knowledge, skills, values, and character to students, preparing them to confront the ever-evolving global challenges of life. Beyond conventional courses, the college offers a diverse array of certificate programs that equip students to navigate life's challenges and contribute meaningfully to society. Iswar Saran Degree College stands as one of the 111 MMTT centers operating nationwide, with seven centers located in Uttar Pradesh. The MMTT centers are actively engaged in conducting the NEP (National Education Policy) orientation and sensitization program. This initiative, carried out entirely online, targets the training of 15 lakh faculty members over a span of three years (2023-24 to 2025-26). Prior to the establishment of the MMTT center, the College boasted the Faculty Development Centre (FDC, MHRD, MoE), established in 2018 under the Pandit Madan Malviya National Mission on Teachers and Teaching. This center was dedicated to the holistic development and training of teachers, laying the foundation for the college's commitment to academic excellence.

About the Programme

The NEP orientation & sensitization programme will be conducted by 111 MMTT Centres in fully online mode with the target of 15 lakh faculty members over the period of three years (2023-24 to 2025-26).

This Programme will be delivered through 111 MMTT Centres. Two programmes will be conducted in a month catering 200 participants. The motive of the programme is to sensitize and orient the participants to these 8 themes. The faculty members would receive the e-certificate on the successful completion of the programme.

Proposed Outcome of the Programme

- Faculty members will get trained to impart holistic education, imbibing the ideals of India-centric ethics and human values.
- Teachers and Learners will acquire the concept of the Indian Knowledge System to apply it in real life, for the advancement and creation of knowledge.
